ASHLAND, December 27, 1871.

LOCAL AND MISCELLANEOUS

WANTED.—We are in need of money! Will our delinquent subscribers be good enough to pay the amount long due on our paper? We feel in the language of Mr. Lincoln, that "it is easier to pay a debt when you have the money, than when you have it not." We are constantly called upon for money to pay hands, purchase paper, and meet installments on our printing office, as well as to live. We have been patient; but if all delinquents for a greater period than one year, will be kind enough to pay up before the first of January next, they will be a favor that will be highly appreciated. Will you?

Clothes, Cassimeres and Flannels at old prices, at

J. C. & M. L. Rudesill's.

The Firm of S. W. & T. M. Beer has changed to Beer & Co. It is understood that "Phon" Sheets has become a member of the new firm.

This is hard weather on the Times Job Steam Engine. It has shivered up about one half, and the other part still faces the Public Square.

Don't forget to go to Nelson & Gates.

If you desire to avoid fire, death, and destruction of property, buy Foltz's 60 cent Oil; there is nothing in the market equal to it for safety, economy or brilliancy of light. He sells the common lamp oil, also.

The cheapest place in town to buy Dress Goods is at

J. C. & M. L. Rudesill's.

FINE FURNITURE.—If you desire a nice Settee, Lounger, Wardrobe, a Marble topped table, Cottage Furniture, a Bedstead, a Set of Chairs, or in fact anything in the line of good furniture, go and see the Stock of Mr. Wilcox, in the Bushnell Block, and you can suit yourself in price and quality.

The smut machine down street seems to be printed with apple butter for the last few weeks. Put on a little impression, boys!

CHICAGO LIES IN ASHES.—A Monument of bad Carbon Oil! This should be a warning to all not to use a poor article. Always use the best. We do not think there is any as good as Foltz's 60 cent Oil in the market. It is positively safe. Remember Foltz has the largest line of Holiday goods ever brought to Ashland.

Blankets, Blankets, Blankets, at old prices, at

J. C. & M. L. Rudesill's.

Thomas Stevens, the popular shoe dealer in the Commercial Block, has a large supply of Christmas and New Year's Presents, consisting of Ladies and Misses Lace and Skating Boots, Fine Lace Gaiters, Pebble Goat Boots and Ladies' and Gentlemen's Slippers, the finest variety in Ashland. A country friend aroused our pride not a little the other day, by enquiring where we got our "Plug." Of course we promptly responded, "Bob Smilie" is the boy who furnished the hat.

The nicest wafers and most beautiful Cream goods in Ashland are at Nelson & Gates Drug Store.

Still & Charles are still hopeful for the new railroad; but being determined not to be outdone, railroad or not, they have received a large supply of Cutlery of all kinds from which you can treat yourself or friends to a fine New Year's present. Just drop in and make a purchase.

For Holiday Presents go to Nelson & Gates Drug Store.

The Prince of Wales, although often reported ready to pass over the great river, still survives, and amid all the excitement about his late illness, S. W. & T. M. Beer, have been collecting the finest assortment of Holiday Presents ever seen in Ashland. You can find anything from a pencil, up to the "Weed"—mean the "Weed Sewing Machine," from which you can make a selection for your wife, daughter, or son. Go and see Beers.

If you want to give some body something nice, and don't know what you can find it at Nelson & Gates.

Some miscreant attempted to burn the barn of Michael Miller, on Monday night. The fire was started in a shed in the north corner of the barn. Oil or some other fluid had been poured into the trough and fired. The blaze was soon discovered, and by the promptness of the firemen the flames were speedily arrested. Mr. Miller is a peaceable and industrious citizen, as well as a courteous and gentlemanly landlord. It is difficult to see why anybody should be disposed to destroy his property.

Go to Rudesill's and buy your dry goods.

They are well supplied with the best goods in the market, and are doing a brisk business.

The German Lutherans had a beautiful Christmas tree at their church on Sunday evening. The exercises were appropriate for the occasion. Good singing, short speeches, and recitations took place. The Germans are noted for their social meetings. On this occasion, the children and all concerned, seemed to enjoy it greatly.

Our Lutheran friends made glad the hearts of the young people on Christmas evening by the customary adornment of an ever-green tree. These gatherings are calculated to make lasting impressions on the young from their social and instructive character. Sweet is the memory of childhood with its innocent amusements, and hopeful dreams.

The Ashland County Medical Society will hold its next regular meeting at the office of Dr. Kinnaman in Ashland on Tuesday January 2, 1872 at 2 o'clock P. M.

The subject for discussion will be: "Resolved, That Alcoholic stimulants from their effects on the human family, morally, socially and physically, should be abandoned as a remedial agent by the medical profession."

G. Oestrich, Pres't.

B. Myers, Sec'y.

HOLIDAY PRESENTS.—A full supply of Toilet Sets, Toys, Tin and Japanned Ware, as well as a large assortment of Stoves at unusually low prices, at the Stove and Tin Store of Willis & Co. Call early and secure a bargain, 2w.

On Saturday morning last, the East bound freight train on the A. & G. W. Railroad, in crossing the bridge over the Blackfork, near Windsor, was precipitated into the stream just as the Engine had passed over by the insufficiency of the bridge, landing some thirteen cars in and about the stream, and wrecking the same, piling wheat, oats, flour, and other articles in one mass of ruins. The cars were so badly crushed and broken, that it was found impossible to make any further use of them, and they were burned for the iron. Nearly all the freight will be worthless. Materials were immediately forwarded for the reconstruction of the bridge, and by Sunday evening the track was cleared for the trains. Fortunately no one was seriously injured by the accident.

E. E. CROWELL, R. S.

The Monthly Concert of the M. E. Church, on Sunday evening last, was decidedly interesting. The church was densely crowded, and the exercises elicited the closest attention.

The recitations by the Sabbath School children were admirable, and reflect credit upon their teachers. The presentation of a Bible by the school, to Mr. Vake the Organist; and of a valuable Watch to Mr. Barron, the Superintendent, was well done, though both parties evinced a good deal of embarrassment. The Sabbath School is a valuable aid to the church. No denomination understands this better than the Catholic Church. Induction with them begins in infancy and allegiance to the church is rarely ever forgotten. If we would make lasting impressions upon the mind, it should be done before the follies and crimes of society have soiled our youth. Influence and example are contagious. Correct principles early imbibed are instruments by which mankind can be saved from immorality, war and barbarism. Our Methodist friends are entitled to much credit for the zeal they manifest in their school.

"Gather them in, gather them in, Gather the children in"
